

REMARKS

This present amendment to show the status of all the claims includes the cancellation of Claims 1-6 and of Claims 18-21. These claims were canceled earlier as being drawn to a non-elected invention.

The applicant is of the opinion that there are no additional fees for this filing. However, if the Commissioner determines an additional fee is due, such fee is to be charged to Deposit Account Number 13-2166.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'W. E. Johnson, Jr.', written over a horizontal line.
